## Perk Offers for Emerging Company Clients of GrowthStudio

Emerging companies need reliable, scalable, and inexpensive services to grow

### Receive up to \$5,000 in AWS Activate Credits

- **Who is eligible?** Crowell emerging company clients who apply and receive approval to Amazon Web Services (AWS) Activate. Get access to the resources you need to quickly get started on AWS and grow your business- including up to \$5K in credits, training, and support. Companies with prior credit redemptions are not eligible.
- **How to apply?** Click on the link below. Login using your existing AWS account credentials if you have one. If not, click on “Create a New AWS Account” to create one. Once you login, authenticate your application by entering the following orgID “**1lggz**”.  
<https://console.aws.amazon.com/activate/home/#/apply/portfolio>
- **What else does it include?** 1 year of AWS Business Support (up to \$1,500) and 80 credits for self-paced labs. Note: AWS Activate credits expire 2 years after initial application.
- **What can AWS do for your company?** AWS offers over 175 featured services—from websites, e-commerce and mobile services, to cloud computing, business applications and data analytics. Millions of emerging and leading companies are using AWS to lower costs, become more agile, and innovate more quickly.
